a) Social Service Subgrant Performance Report and Staff Recommendation:

Recording Secretary Diana Johnson presented key highlights and areas of focus for the Commission's review which included: the FY26 Social Service Subgrant Performance Reports for the period of July 1, 2025, through June 30, 2026, detailing the number of clients served, outreach efforts, and program activities and a matrix outlining the historical data which compared the proposed and actual clients served for FY25 and FY26.

Ms. Johnson further commented that the Commission had awarded FY26 grant funding to CASSY Counseling and Support Services for Youth; however, the organization did not receive grant funding as it was unable to provide the City's required insurance endorsements. Although, despite not receiving grant funding, CASSY served 99 of the 110 Campbell clients it had anticipated serving. Ms. Johnson stated that CASSY is actively seeking alternative insurance coverage to meet the City's requirements and is requesting the Commission's consideration for FY27 Year Two grant funding.

Ms. Johnson further reported that West Valley Community Services amended its Performance Report to clarify that a total of 142 Campbell clients were served during the July 1, 2025, through June 30, 2026, reporting period.

Catholic Charities of Santa Clara County: This program offers the only Ombudsman services in Santa Clara County dedicated to advocating for the rights of senior and disabled residents in long-term care facilities. Its primary function is to investigate and work toward resolving complaints made by or on behalf of residents concerning quality of care and abuse. The agency is requesting grant funding in the amount of $10,000 for FY27.

Senior Adult Legal Assistance (SALA): The program provides free legal services to Campbell residents age 60 and older, with a focus on low-income seniors and those at risk of abuse, housing displacement, social isolation, or premature institutionalization. Heart of the Valley Services for Seniors, Inc.: This program offers facilitation, advocacy, and support at no cost to promote independent living for seniors in Santa Clara County. Through volunteer-driven services, seniors receive assistance with escorted transportation, shopping, errands, house projects, light yard work, handyman tasks, computer help, and visitation. By fostering connection and providing essential support, the initiative enhances quality of life and ensures that seniors can continue living independently with dignity. $30,000 in CDBG grant funding was cut this year. Did receive emergency grant funding to supplement loss. The agency is requesting grant funding in the amount of $15,000 for FY27.

Live Oak Adult Day Services: This program offers recreational and health-enhancing adult day care, providing socialization, engaging activities, and nutritious meals for frail, dependent, and at-risk senior residents. The agency is requesting grant funding in the amount of $7,000 for FY26.

West Valley Community Services: This program is dedicated to ensuring that households living in poverty have seamless access to public benefits, supportive services, and educational resources aimed at fostering financial and household stability. The agency is requesting grant funding in the amount of $50,000 for FY27.

Following the presentations by the Social Service Subgrant agencies, Chair Bracher invited members of the public to provide any additional comments. There being no further public comment, Chair Bracher formally closed the public hearing and directed Ms. Johnson to present the FY27 grant funding recommendations.

c. Proposed Social Service Subgrant Funding for FY27

Ms. Johnson presented the Commission with a memorandum summarizing each agency, including the services provided, funding received, and number of Campbell clients served during FY26.

Additionally, Ms. Johnson presented a funding matrix depicting each agency's historical FY funding allocations and FY27 funding requests for the Commission's review and consideration. A total of $142,750 was requested exceeding the annual appropriation of $65,000.

Following a review and discussion of the information presented, the Commission developed its funding recommendations for FY27 (Year-Two) of the Social Service Subgrant Program. The recommendations were based on the Commission's evaluation of program effectiveness, funding requests, and the extent to which each program addressed identified community needs.

In considering CASSY's funding request, the Commission noted that CASSY had demonstrated the ability to serve the identified clients without City funding. The Commission also considered the uncertainty regarding CASSY's ability to meet the required insurance

endorsement provisions. Following discussion, the Commission recommended that CASSY not receive Year Two funding.

The Commission further recommended that the $4,750 requested by CASSY be redistributed among the remaining subgrant agencies. In making this adjustment, the Commission allocated the funds among the agencies while ensuring that no agency's recommended FY27 funding exceeded its FY27 funding request.

The Commission issued its recommendations for each Social Service Subgrant agency for FY27.

September 2026 Library Report
Jennifer Weeks, County Librarian

Bring a New Patron to the Library this Month

September is **Library Card Sign-Up Month**, when we encourage everyone in our communities to open a free library account. A library card opens up a world of discovery. From the best and latest books and magazines to valuable electronic resources that would cost thousands of dollars a year to access independently, libraries offer a wide variety of information, education, and entertainment free of charge.

This year, SCCLD is teaming up with the San Jose Sharks to produce two new limited edition library card designs for patrons who sign up for a new account or wish to replace their current card. The new designs will be revealed on Tuesday, September 1, when they will be available at all of our libraries, as well as the Bookmobile. Be one of the first to get a special, limited edition San Jose Sharks library card.

Join us and a SJ Sharks player for a special Sharks-themed **Storytime** on Tuesday, September 8 at 4 PM at the Cupertino Library. After the fun you can check out the newly restored aquarium afterward!

Full access library cards allow patrons to borrow up to 100 items at a time, with a limit of 10 console games or 30 DVDs/Blu-Rays. Digital eCards are also available to anyone who resides in Santa Clara County and these provide access to our online resources like eBooks and Audiobooks. Learn more about our different types of library accounts **on our website**.

FYI- All SCCLD libraries will be closed on Monday, September 7 for the Labor Day holiday. Our Online Library will be open.

Hispanic Heritage Month

Hispanic culture and the Latino community are the focus of **Hispanic Heritage Month**, which is celebrated from September 15 to October 15. Here in the Bay, we have a rich history of native peoples like the Ohlone, as well as missions and cities that were founded by the Spanish. Like the rest of the golden state, we also were once part of Mexico.

The Latino community is large and diverse, spanning the entire continent and parts of the Caribbean. Spanish is a largely shared language, with many indigenous languages also spoken. The library has many **language learning resources** for those interested in connecting with their heritage or who wish to add a language ability, including **Mango Languages** and **Recursos en Español** by Learning Express. We also offer numerous **newspapers and magazines in Spanish** and from across Latin America.

Many **events are planned** at our libraries. These include arts and crafts, book clubs, movie screenings, musical acts and dance performances. Acclaimed author **Francisco Jimenez** will speak about growing up as the child of farm workers after a screening of Unbroken Sky at the Gilroy Library on Sat., Sep. 26. Other highlights include Virtual Authors talks in English and Spanish with **Lucky Diaz** on Thu. Sep. 24 and **Mariachi Estelar** at the Saratoga Library on Sun., Sep. 27. More details in our Monthly Calendar. There are also **booklists** for kids, teens and adults around the month, as well as a special travel guide.

Homework Help for K-6 Students

Students in grades K-6 can drop by any SCCLD community library during the school week for assistance with their homework assignments. This free tutoring service will be offered from September through April on **multiple afternoons** per week after classes let out, with energetic teen and adult tutors there to help. No appointment is needed. Students under the age of 10 must have a parent or caregiver stay in the Children's Room during the session. Find other resources around homework help in our **Online Library**.

SCCLD is always looking for good tutors to help with its Reading Program, Homework Help and other literacy initiatives at our libraries. If you or someone you know are interested, find **information here**.

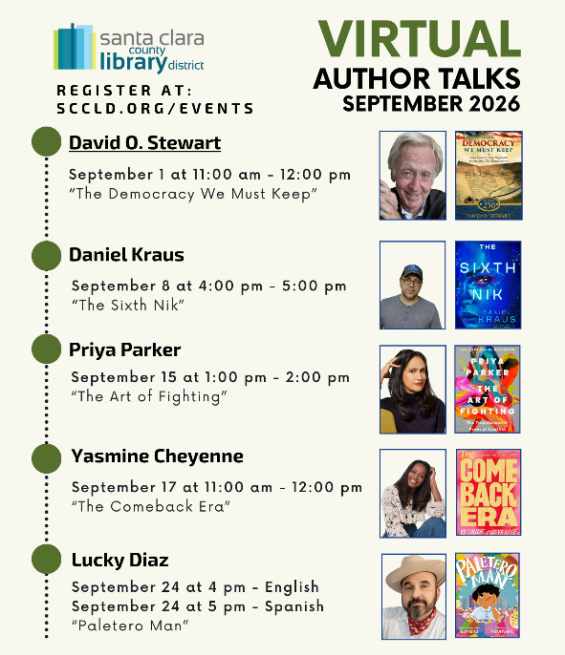

Helping Young Kids Read to Lead

SCCLD is **seeking volunteers** 14 and older to serve as tutors as part of the new Read to Lead tutoring initiative at the Gilroy and Morgan Hill libraries. South County students in grades 2-3 who need reading support are the main focus.

Barely half of county 3rd grade students meet the state target for reading at grade level by the end of the 3rd grade. You can help change this figure with your efforts. The commitment is for 90 minutes on two afternoons each week at a library from October through mid-December. Parents or caregivers will need to stay in the Children's area during sessions. Find the full list of requirements on **our website**. Training dates will take place in September.

September Virtual Author Talks

Five authors join us this month for **Virtual Author Talks**.

Sep. 1- Fiction and nonfiction writer **David O. Steward** explores what ideas of the Founding Fathers mean for us today in ***The Democracy we Keep***. **Please register**.

Sep. 8- Dive into the dark mysteries of deep space in **Daniel Kraus**' new novel, ***The Sixth Nik***. **Please register**.

Sep. 15- Hear how ideas can change the way we handle disagreements from **Priya Parker** (***The Art of Fighting: The Transformative Power of Conflict***). **Please register**.

Sep. 17- Learn how to reconnect with your true self and open the door to real change with **Yasmine Cheyenne** (***The Comeback Era: From Limiting Beliefs to Living Without Limits***). **Please register**.

Sep. 24- Family favorite performer **Lucky Diaz** shares about his bilingual picture book, ***Paletero Man***. There will be back-to-back sessions given in English and Spanish. Please register: **English**/**Spanish**.

Images from the New Woodland Library Terrace and Native Habitat

A big crowd **came out** on Saturday, August 15 for the grand opening of the beautiful new space next to the Woodland Library in Los Altos. Patrons and their families can now sit under awnings, play a game or enjoy the native landscaping. The Los Altos Library Endowment is responsible for this great initiative.

Dolly Parton was an icon; a singer, songwriter, actress, author and entrepreneur known for her warm personality, bold style, and dedication to childhood literacy. The Santa Clara County Library District is greatly saddened by the news of her passing. Through Dolly Parton's Imagination Library, more than 332,411,200 books have been gifted to children aged 0-5 all over the world. This includes 150,000 books to kids throughout Santa Clara County. Her gift of early literacy is a legacy that lives on through the Imagination Library. Thank you, Dolly, for being a champion for literacy and bringing light to so many lives.

MEMORANDUM **City of Campbell**

City Manager Office

To: Civic Improvement Commission **Date:** September 2, 2026

From: Diana Johnson, Recording Secretary

Subject: **Capture Campbell – Project History**

Purpose

At its August 13, 2026 meeting, the Civic Improvement Commission made a motion to agendize **"**Capture Campbell Themed Projects" for further discussion at its September 10, 2026 meeting.

As the Ad Hoc Committee considers potential changes to the themes for the Capture Campbell project, staff is providing the Commission with background information on the history of the program. The intent of this memorandum is to provide the Commission with historical context regarding the original Capture Campbell photography contest and its structure when it was approved in 2018.

Background

At its February 8, 2018 meeting, the Civic Improvement Commission unanimously approved the Capture Campbell Photo Contest**.**

The following language is taken directly from the February 8, 2018 meeting minutes:

"Participants must live or attend school in Campbell. There are three age groups: 10-under, 11-14 and 15-18 and three subject categories: Outdoor/Nature, Campbell Life and Architecture. Photos must be taken in a public place and contestants are allowed to submit one photo for each category; however, can only win once. Winners of each age group will receive $100 with a certificate and recognition at a Council meeting. Local businesses will be targeted for monetary donations. Photos will be displayed in the Library, City Hall, Council Chambers and City's website. The contest will run April 1 through September 30. The sub-committee is looking for professional input by photographers to assist with judging. Judging will commence at the beginning of October. The contest will be advertised, and promoted in local shops, the Youth Commission, Chamber, Rotary and churches."

Original Capture Campbell Program: Based on the 2018 Commission action and meeting minutes, the original Capture Campbell photography contest included the following components:

Eligibility: Participants were required to either **live in or attend school in Campbell**.

Age Categories: The original contest included three age groups:

- **10 years and under**
- **11–14 years**
- **15–18 years**

Photography Categories: The original photography themes were:

- **Outdoor/Nature**
- **Campbell Life**
- **Architecture**

Submissions: Contestants could submit **one photograph in each subject category**, but could only win once.

Awards and Recognition: Winners were to receive a **$100 award**, along with a certificate and recognition at a City Council meeting.

Judging: The Commission's subcommittee sought professional input from local photographers to assist with judging. Judging was scheduled to begin at the beginning of October.

Promotion and Display: The contest was to be promoted through local businesses and community organizations, including the Youth Commission, Chamber, Rotary, and churches. Winning and/or submitted photographs were also intended to be displayed at City facilities, including the **Library, City Hall, and Council Chambers**, as well as on the City's website.

Contest Period: The original contest was scheduled to run from April 1 through September 30.

Current Discussion: The Ad Hoc Committee is currently discussing the possibility of revising the photography themes for a future Capture Campbell project.

The following concepts have been discussed as part of that conversation:

- **Outdoor/Nature**
- **Campbell Life**
- **Architecture**

The Ad Hoc Committee may wish to consider whether these original themes continue to reflect the desired purpose of the project or whether updated themes would better encourage youth participation and provide a contemporary perspective of the community.

Any proposed changes to the themes, contest structure, or other elements of the Capture Campbell project would be subject to further discussion and direction by the Commission.

Sponsorship History: The original Capture Campbell contest also included an effort to obtain financial support from local businesses and photographers. Previous sponsors and supporters have included:

- San Jose Camera and Video
- Rhee Bevere Photography
- Shailee Connolly Photography
- Karen Tamaki Photography
- Better Homes & Gardens Real Estate

Conclusion

The Capture Campbell photography contest was originally approved by the Civic Improvement Commission in 2018 as an opportunity for local youth to photograph and showcase their community.

Providing the history of the program will allow the Commission to consider potential changes to the Capture Campbell themes with an understanding of the program's original purpose, structure, eligibility requirements, contest period, judging process, awards, and community partnerships.

The September 10, 2026 discussion will provide an opportunity for the Commission to provide direction regarding potential updates to the Capture Campbell project, including whether the original photography themes should be retained, modified, or replaced.
