CITY OF CAMPBELL
REGULAR MEETING OF THE PARKS & RECREATION COMMISSION
CAMPBELL, CALIFORNIA
March 4, 2026
MINUTES

The Regular Meeting of the Parks and Recreation Commission convened for its meeting on Wednesday, March 4, 2026, at 7:00pm, City Hall Council Chambers, 70 N 1st Street.

ROLL CALL

PRESENT: Brenner, Frederick, Lee, Loffer, Malone, Sastri, Teeter
ABSENT:
STAFF: Recreation and Community Services Director Natasha Bissell, Public Works Superintendent Ron Taormina, Recording Secretary Rebekah Rodriguez

APPROVAL OF MINUTES:

MSC: Loffer/Malone to approve the regular meeting minutes for February 4, 2026.
AYES: Brenner, Frederick, Lee, Loffer, Malone, Teeter
ABSTAIN: None
NOES: None

Presentations:
NONE

Oral Requests:
NONE

Unfinished Business:
NONE

New Business:

A. Multimodal Transportation Plan

Natasha Bissell introduced Tiffany Hudson who gave a presentation of the progress of the plan and outreach to the community that has been done. A copy of the presentation is attached for reference. Once her presentation was done, it was open for discussion/comments to the public which were none and then proceeded to the commissioners.

B. Adult Center Programs and Services

Natasha Bissell introduced Kevin Marts who gave a presentation on the Adult Center Programs and Services. It was very enlightening and he did a great job highlighting all the programs the adult center is involved in. A copy of the presentation is attached for reference.

C. Bunnies & Bonnets Parade

Natasha Bissell brought this item forward since this event will be held on Saturday, April 4 at 12pm. It was asked if the commission would be interested in participating in the parade and if so, if they would also like to decorate a trailer. It was discussed and the commission is interested in participating and Natasha will proceed with submitting the application on their behalf.

D. Meeting at a park

Natasha Bissell brought this item forward to the commission as it is one of their goals and also on the workplan to host a meeting in a park. There was discussion as to where they would hold two meetings and what month and time. Commissioner Malon suggested meeting at Campbell Park and walking over to the Pruneyard Trail to walk the trail for the meeting. Another option that was given was holding the meeting at the Skatepark or Jack Fischer. There was a motion presented for two dates as follows.

MSC: Loffer/Teeter to hold the first meeting in May at Campbell Park then walk to the Pruneyard Trail at 5:30pm and the second meeting to be held in September at Jack Fischer Park also at 5:30 pm.
AYES: Brenner, Frederick, Lee, Loffer, Malone, Sastri, Teeter
ABSTAIN: None
NOES: None

E. Facilities Tour

Natasha Bissell brought this item forward to the commission for the purpose of meeting a goal and workplan item for this year. It was discussed that the aquatic center would be the focus of the facility tour, especially in the summer months to see the high usage.

MSC: Teeter/Brenner to hold the facilities tour at the aquatic center on August 5, 2026, at 5:30 pm
AYES: Brenner, Frederick, Lee, Loffer, Malone, Sastri, Teeter
ABSTAIN: None
NOES: None

F. Community Events

Natasha Bissell went over the events that were provided in the report included in the agenda.

Staff Reports:

A. Parks – Ron Taormina, Public Works Superintendent

- KAB event on Saturday, April 4 at the south end of the field track located at the community center. Mulch will be added and DG will be added along the pathway and planting of two trees.
- A donation for a bench will be going to council in May. The request is to place it on the north end of the track.
- 3 new fully electric ride-on mowers were received today.
- 2 Ford Lightning Trucks have been purchased as well.
- On the Los Gatos Creek Trail spillway there was a split rail as the boards were in poor shape and new rails had been fixed by a contractor.
- Working with Santa Clara Valley Water District regarding the erosion on the side of the trail. They normally work on repairs from May to October timeframe but are not sure if they will be able to fix it.

B. Recreation and Community Services Director – Natasha Bissell

- Summer camp and swimming lesson open house will be on Saturday, March 7, 2026, at the OCBH and pool. We will also have a pre-school open house in the preschool classrooms from 11 am to 1 pm.

- Summer preview is available online and includes summer camps and swimming lessons. Registration will be on March 17 for residents and will be open to everyone on March 18.
- Skatepark ramps are scheduled for installation starting next week.
- Express Library at Campbell Community Center will close on April 4 and the new library is slated to open on May 9.
- Ainsley House is scheduled to reopen this weekend to the public.
- Had to activate a care and shelter at the community center in partnership with the American Red Cross this week due to an apartment fire.

Good of the Game

Commissioner Brenner shared how her neighbor expressed great appreciation for Gomes Park in regard to its location and how she loves it too.
Commissioner Malone mentioned multimodal and walking path easier to enter the Community Center and is grateful for that.
Commissioner Loffer loved how the Valentine Fun Run was an exceptional event and gave kudos to Lauren and Kevin for making it lively and fun.
Commissioner Lee has seen the summer catalog and its content and appreciates all the great camps offered for the summer but gave a suggestion on grouping younger kids together instead of with older kids.
Commissioner Frederick mentioned that soccer season is in full swing at John D Morgan and the fields look great and he is very excited for the open house on Saturday.
Commissioner Teeter shared with the rest of the commissioners the July calendar of events and encouraged them to sign up for the events.

Chair Lee adjourned the meeting at 8:17 pm.

Respectfully submitted:

Rebekah Rodriguez

Campbell PRC

Campbell Multimodal Transportation Plan

https://www.campbellca.gov/multimodal

1

Agenda

- Project Background
- Project Introduction and Goals
- Project Schedule / Workplan
- Community and Stakeholder Engagement
- Next Steps

2

Project Background

- General Plan calls for a Complete Streets network that accommodates all users
  - Action T-1.i: Prepare a multimodal improvement plan
- City awarded a $496,000 grant from Caltrans to develop a multimodal plan
- Awarded a contract to Alta Planning + Design

3

Consulting Team

alta

Fehr&Peers

CATALYZE SV

- Alta Planning + Design
  - Project lead, focus on active transportation
- Fehr & Peers
  - Subconsultant, focus on transit and community outreach
- Catalyze Silicon Valley
  - Outreach support, reaching underserved communities

4

Project Introduction and Goals

5

What is the Campbell Multimodal Transportation Plan?

A citywide plan to improve mobility for everyone

- Focus on walking, biking, and transit access
- Helps inform future workplans for City staff
- Sets up the City for grant competitiveness

6

What is the Campbell Multimodal Transportation Plan?

- Community-prioritized list of infrastructure projects and programs

Infrastructure Recommendations may include:

- Better sidewalks, new crosswalks, and intersection safety upgrades
- New trails, separated bikeways, and more parking for bikes
- Bus stop improvements and better access to transit
- Landscaping and pedestrian-scale lighting

Multimodal Transportation Plan

7

7

Draft Project Goals

Roadway Safety: Provide safe, accessible and comfortable facilities for all roadway network users with a focus on active users of all ages and abilities. Leverage investments to reduce or eliminate serious and fatal injury collisions.

Network Cohesiveness and Connectivity: Provide a well-connected network of pedestrian and bicycle facilities across the City, and to neighboring jurisdictions. Focus on ease of access to VTA stations and stops.

Equity: Provide a multimodal transportation system that meets the needs of all individuals, especially those who suffer the most harm from transportation challenges, by addressing active transportation barriers in areas with the greatest needs and potential benefits for people walking, biking, and taking transit.

Health and Sustainability: Contribute towards the well-being of city residents by providing facilities that encourage active modes of transportation, reduce vehicle miles traveled (VMT), and meet climate action plan goals.

Funding and Implementation: Develop a strategy and pursue federal, state, and regional grant funding to implement active transportation projects.

Project Schedule / Workplan

Multimodal Transportation Plan

9

9

Project Schedule

2025		2026				2027
Project Start	Public Outreach Phase 1	Identify Projects	Public Outreach Phase 2	Concept Plans	Draft Plan	Final Plan
Summer	Fall	Winter	Spring	Summer	Winter	Spring

Multimodal Transportation Plan

10

10

Project Workplan

- **Existing Conditions Analysis**
  - Plan Review, Safety Analysis, Equity Analysis, Low Traffic Stress Analysis, Active Trip Potential Analysis, Transit Access Analysis, Existing Bicycle and Pedestrian Infrastructure
- **Engagement**
  - Engage with the community; focus on hard-to-reach groups
  - Coordinate with agency partners
- **Projects & Programs**
  - Identify project recommendations
  - Identify program recommendations

Multimodal Transportation Plan

11

11

Project Workplan

- **Implementation Plan**
  - Prioritize projects and programs based on project vision/goals and community input
  - Develop Concept Plans for future grant applications
  - Cost estimates
- **Draft and Final Plan**
  - Public review
  - City Council review and approval/adoption

Multimodal Transportation Plan

12

12

Community and Stakeholder Engagement

13

Phased Approach

Adequately prioritizing projects will rely on a significant amount of community outreach throughout the project.

- **Phase 1: Introduce the project and identify unmet multimodal needs**
- **Phase 2: Refine project recommendations and inform the prioritization and implementation process.**
- **Phase 3: Review and refine the public draft plan prior to adoption.**

14

Phase 1 Outreach

Goal: Understand unmet multimodal needs for the City's residents and visitors

- **What are your travel challenges?**
- **Where do you experience travel challenges?**
- **What would you like to see improved?**

15

Phase 1 Input Opportunities

- **Pop-up events**
- **Virtual community workshop**
- **Mobility audits (walking and biking tours)**
- **Technical Advisory Committee**
- **Webmap and online survey**

16

Targeted Outreach

For inclusive and representative input, we will conduct outreach in key areas with historically underrepresented groups:

- **Business Outreach: Along Winchester Blvd and Hamilton Ave including in person visits and educational material**
- **School-Based Engagement: Partnering with Rosemary Elementary School to engage families and students**
- **Neighborhood Outreach: Door-to-door flyer distribution and outreach in underserved neighborhoods, promoting the project, survey, and events**
- **Community Partnerships: Collaborating with churches, neighborhood groups, and community leaders to amplify awareness and participation**
- **Direct Communication: Sending newsletters to Campbell residents through existing contact lists**

17

Stakeholder Engagement

The Technical Advisory Committee will ensure both technical expertise and local knowledge are incorporated into the plan:

- **Community Advisory - Residents, DCBA, Chamber, Campbell Recreation**
- **Interagency Coordination - Caltrans, VTA, Santa Clara County, San Jose, Los Gatos**

18

Phase 1 Outreach Results

Project Reach

- Reached tens of thousands of people
- Directly engaged with 1,500 community members
- Collected 1,800 comments

Multimodal Transportation Plan

19

19

Phase 1 Outreach Results

What we heard

- The highest priority is to make it safer and easier to walk places.
- Improve accessibility to downtown Campbell and the Pruneyard.
- Connect Campbell to the surrounding cities with high quality bikeways.
- Public interest is highest in creating solutions for major streets like Campbell Ave. and Winchester Blvd.

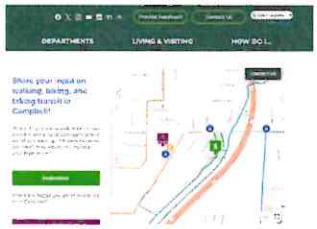

Multimodal Transportation Plan

20

20

Phase 2 Input Opportunities

- Pop-up events
- In-person community workshop
- Technical Advisory Committee
- Webmap

Multimodal Transportation Plan

21

21

City Council Engagement

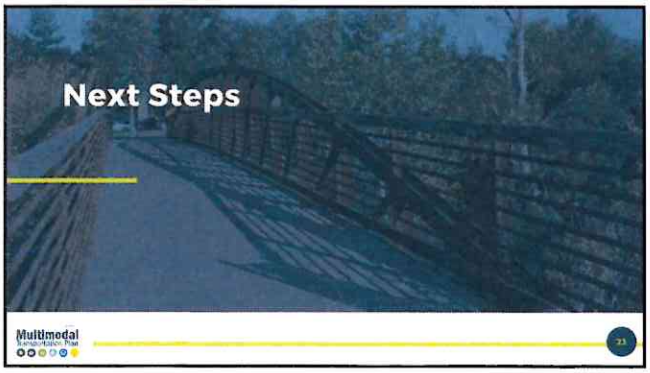

While subject to change, we plan to return to Council as follows:

- Meeting #2 - April 7, 2026
  - Project update
- Meeting #3 - Early 2027
  - Draft Plan
- Meeting #4 - Spring/Summer 2027
  - Plan Adoption

Multimodal Transportation Plan

22

22

Multimodal Transportation Plan

23

23

Next Steps

- Spring 2026
  - Outreach Phase 2
    - Pop-up events and Community Workshop
    - Interactive webmap
    - City Council meeting
- Summer/Fall 2026
  - Develop Concept Designs
  - Admin Draft Plan
- Winter 2026
  - Draft Plan released with Public
