MEETING MANAGEMENT

The Site and Architectural Review Committee (SARC) is a subcommittee of the Planning Commission authorized by the Campbell Municipal Code to review the architectural design and site layout of proposed development projects. The SARC makes reports and recommendations to the Planning Commission, however, the SARC has no decision-making authority, and its recommendations are not binding on the Planning Commission.

SARC meetings are scheduled immediately preceding the 7:30 PM Planning Commission public hearings. As such, the time allotted for each application is limited and must be reserved for review and discussion by the SARC, staff, and applicants. Any time remaining during the scheduled review time may be utilized for public comment at the discretion of the Chair.
