There is a flyer attached for more information. Its purpose is to provide support for those who are caregivers. Tina gave a background on how this conference began and how it has helped after all these years to so many people and not just local but statewide as well.

B. Community Events

Recreation & Community Services Director Natasha Bissell presented a staff report dated August 5, 2026. It included all the events for the month of August/September.

C. Aquatic Center Tour

The tour of the aquatic center occurred after going through the agenda.

Staff Reports:

A. Parks – Ron Taormina, Public Works Superintendent

- The Eagle Scouts cleaned up the kiosk at Campbell Park, and now it looks very clean again.
- Edith Morley Park was having issues with the stream there; the pump was not working properly but that has now been fixed. This area will now be on a maintenance cycle of once a month.
- Memorial Bench at the Community Center is still underway but should be completed by the next meeting.
- The Running Track had graffiti on it and in-house staff were able to clean it and remove it.
- Heavy maintenance cycle at this time of year so our crews are busy with mowing and other activities.
- The parks are still being reserved and heavily used over the weekends.
- The Oak Tree at the athletic field was lost in a previous storm and damaged the fence but the two remaining are in really bad shape and will be removed.

B. Recreation and Community Services Director – Natasha Bissell

- The pool has now been closed due to leaking. Westmont High School is where they have been operating from until the end of the summer. Last day at Westmont High School will be Sunday, August 9th.
- Community Meeting at 5:00 pm tomorrow on the pool process and the project that is coming forward. Meeting will be held in the Orchard City Banquet Hall.
- Parks and Recreation Month came to an end, and it was a great event all month long even with the closure of the pool.
- Fall registration opened yesterday for Campbell residents and today for everyone else.
- Planning Commission ad hoc committee is proposing park impact fees of 750 sq ft units or less be eliminated. This will be brought forward to their next meeting of August 11. Questions were asked and Natasha was able to provide a response to them.

Good of the Game

Commissioner Frederick mentioned the day camps have gone very well even with the closure of the pool.

Commissioner Malone mentioned his grandson was visiting and loved the playground at John D Morgan Park and Commissioner Malone was happy to see that it is highly used and it always looks good.

Commissioner Loffer mentioned that they have not been able to meet with the other ad hoc committee and Natasha responded that there has been a turnover in staff, so no subcommittee has been established yet from the Bicycle and Pedestrian Advisory Committee.

Chair Lee adjourned the meeting at 6:05 pm and the aquatic center tour commenced.

Respectfully submitted:

Rebekah Rodriguez
