New Business:

A. Community Events

Recreation & Community Services Director Natasha Bissell presented a staff report dated June 3, 2026. It included all the events for the month of July.

B. July Meeting

Recreation & Community Services Director Natasha Bissell brought this item forward to see if the commission would agree to cancel the July meeting as there are no pressing items to bring forward. After discussion, the commission motioned to approve canceling the July meeting.

MSC: Malone/Frederick to approve cancellation of their regular meeting of July 1, 2026.
AYES: Frederick, Lee, Loffer, Malone, Sastri, Teeter
ABSTAIN: None
NOES: None

C. PRC Ad Hoc Subcommittee collaboration with BPAC Ad Hoc Subcommittee on the Multimodal Transportation Plan

Public Works Director Amy Olay brought this item forward as there had been a request by the Parks and Recreation Commission to create an ad hoc subcommittee to collaborate with the Bicycle and Pedestrian Advisory Committee on the Multimodal Transportation Plan for bicycle and pedestrian access to parks. Staff liaisons from both committees would be involved in bringing these ad hoc subcommittees together to discuss this item further.

D. Jack Fischer Park Tour

The tour of the park occurred after going through the agenda.

Staff Reports:

A. Parks – Ron Taormina, Public Works Superintendent

- Los Gatos Creek Trail is closed due to fire suppression cleaning.
- May 23 the water features have been turned on.
- Park staff is keeping busy especially at the Community Center.
- Keep America Beautiful has been canceled for this year due to no interest.
- Staff are trying to keep the turf green especially in this heat so there has been a little more water on to keep it green.

B. Recreation and Community Services Director – Natasha Bissell

- Mural of the mosaic at Jack Fischer has been vandalized and now there will be a project to fix it.
- Follow up from a public comment that was made at the last meeting regarding the request of a Community Center Master Plan being done prior to the pool renovation. Natasha clarified that the member of the public was referencing the Parks and Recreation Master Plan and that it calls for a "Community Center Master Plan" to be done. The wording of "Community Center" was misleading as the text describing this in the Parks and Recreation Master Plan clearly outlines what that would entail and Natasha Bissell assured the Commission that the pool project will be including all items listed.
- Events coming up that were listed in the special event report. Please mark your calendars for the Parks and Recreation Month Events.
- The proclamation for Parks and Recreation Month will go to Council on July 7 if you would like to attend.
- Next week will be in-service training for all the summer staff and the pool will be closed as the lifeguard staff will be part of that training.
- Summer registration is now open for everyone and for all activities happening through August.

Good of the Game

Commissioner Loffer mentioned the flagpole lighting that has gone away. Ron responded with additional information to her comment.

Commissioner Loffer also mentioned that there are fallen limbs down by the community center that have not been addressed and that is due to staff working on the fire suppression this week, but they will return to clear up the community center with these fallen limbs.

Commissioner Frederick mentioned the embankment no longer has cones for protection and Ron responded to that concern as well.

Vice Chair Malone adjourned the meeting at 5:54 pm and the park tour commenced.

Respectfully submitted:

Rebekah Rodriguez, Recording Secretary
