WRITTEN STATEMENT:

Project:

Scramblz Restaurant at 2105 Winchester Blvd, Campbell, CA 95008

Project Type:

Tenant Improvements.

Overview:

The intent of this Project is to install a new Restaurant within an existing tenant space along Winchester Blvd in the Merrill Gardens Complex.

This is a healthy food alternative where dishes are made at the restaurant including organic produce and juices rather than sodas.

Scramblz serves only Breakfast and will complement adjacent Senior Housing as well as residential neighborhood. Some of the near by businesses will also frequent the establishment.

Location for the restaurant was chosen for its ability to provide service to the public with as little as possible impact on the neighbors.

This use will not generate any additional traffic since it is a small restaurant requiring only 22 stalls and at best on an interim basis with possibly peaking in the early morning. Most of the patrons will be pedestrians from the extensive near by residential and commercial neighborhood.

Scramblz will have approximately 5 employees with operating hours between 7 AM and 2 PM.

Food preparation will take place indoors and will not have a noise impact on the neighbors/neighborhood. Deliveries would commonly happen in the morning or late afternoon with only small quantities due to small size of the restaurant. Deliveries could most likely be through the Winchester side of the establishment where there is a street lay-by for small trucks/vans and busses.

Proposed restaurant will be an asset to the Merrill Gardens complex as well to the neighborhood serving an important and lacking now function.
