

**Announcement of City Council Discussion on the Mix of
Downtown Businesses**

**March 5, 2013 – 5:30 PM
City Hall**

The City Council is aware of the increase in restaurant and other food and beverage uses within Downtown Campbell and will hold a "study session" meeting to discuss the current mix of businesses. The Council extends an invitation to all interested parties who may wish to attend. Comment can be provided to the Council in person during the meeting or in written correspondence directed to Daniel Fama, Associate Planner in the Community Development Department, by email at danielf@cityofcampbell.com.

Please note that at the study session, the City Council may only provide direction to City staff for future action, no formal decision will be made at the meeting.
