

RESOLUTION NO. 12843

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CAMPBELL AUTHORIZING THE USE OF FISCAL YEAR 2022/23 RMRA FUNDS FOR THE FISCAL YEAR 2022/23 ANNUAL STREET MAINTENANCE PROJECT

WHEREAS, Senate Bill 1 (SB1), the Road Repair and Accountability Act of 2017 (Chapter 5, Statutes of 2017) was passed by the Legislature and Signed into law by the Governor in April 28, 2017 to address the significant multi-modal transportation funding shortfalls statewide; and

WHEREAS, SB1 includes accountability and transparency provisions that will ensure the residents of our City of Campbell (City) are aware of the projects proposed for funding in our community and which projects have been completed each fiscal year; and

WHEREAS, the City must adopt by resolution a list of projects proposed to receive fiscal year funding from the Road Maintenance and Rehabilitation Account (RMRA), created by SB1, which must include a description and the location of each proposed project, a proposed schedule(s) for completion, and the estimated useful life of the improvement; and

WHEREAS, the City will receive an estimated \$919,000 in RMRA funding in Fiscal Year 2022/2023 from SB1; and

WHEREAS, receiving the RMRA funds will support the City's effort to provide continued preventative essential road maintenance and rehabilitation projects before pavement problems become worse and cost more to fix; and

WHEREAS, the City has undergone a robust public process to ensure public input into our community's transportation priorities; and

WHEREAS, the City used Streetsaver, a pavement management software to develop the SB1 project list to ensure revenues are being used on the most high-priority and cost-effective projects that also meet the communities' priorities for transportation investment; and

WHEREAS, the 2020 California Statewide Local Streets and Roads Needs Assessment found that the City of Campbell streets and roads are in "At Lower Risk" condition, and this revenue will help the City increase the overall quality of its road system and over the next decade will keep our streets and roads in "good" condition;

WHEREAS, the RMRA funding and overall investment in our local streets and roads infrastructure with a focus on basic maintenance and safety, investing in complete streets infrastructure, and using cutting-edge technology, materials and practices, will have significant positive impacts to the community; and

WHEREAS, Hamilton Avenue has an average pavement condition index of below 50, making it a good candidate as the next arterial street for pavement improvements; and

WHEREAS, it is anticipated that the resurfacing work on Hamilton Avenue would begin by the summer of 2024; and

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Campbell hereby authorizes the use of FY22/23 Road Maintenance and Rehabilitation Account funds for the FY2022/23 Annual Street Maintenance.
