

"Campbell is not the city it was twenty years ago. Twenty years from now Campbell will not be what it is today. The task of the City Council is to guide the next twenty years within the context of safety, stewardship, stability, heritage, culture, and vibrancy, where even with growth, neighbors continued to know neighbors and neighborhoods collectively called this place Campbell"

Elizabeth "Liz" Gibbons

This event will be broadcast on Channel 26
and at campbellca.gov/CampbellLive
