Reuse and Resale Resources

Don't throw away those unwanted items. If you have items that are useable, working and unstained, please call one of the locations below to donate! Useful items can find new homes and fulfill the needs of others. They are generally tax deductible and YOU ARE DIVERTING IT FROM OUR LANDFILLS.

There are also many other recycling and resale resources available that are not listed below. Please contact the Santa Clara County Recycling Hotline, provided by the Center for the Development of Recycling at (1800)-533-8414, (408) 924-5453, www.recyclestuff.org or www.reducewaste.org for further information.
